- Each coach will be responsible for setting up their own teams. You will need to invite the parents for your players and use the tool for communication throughout the season!
- Should drastically cut back on need for group texts/emails.
- Upload the schedule, field layout, etc. right on the app in your team.
- Group message through the app.
- Take and post pictures for others on the team throughout the season.
- Not required but HIGHLY encouraged. 80% + used this app in Fall Soccer last season with great praise!
