Acknowledgement of Liability, Limitations, Assumptions of Risk, and Permission to Use Photographs

Indiana law provides that governmental entities, including cities and their agents or employees, are not ordinarily liable for property damage, personal injury or accidental death, except in instances of gross negligence. Accordingly, parents assume risks by permitting your child to travel and/or participate in any Parks and Recreation (Parks) activity or event. The City of Columbus, Indiana (City) acknowledges that you are not waiving your child's or your personal rights, as defined under the liability limitations (outlined in the state's tort claims law) by registering for any Parks activity or event. However, the participant acknowledges disclosure that the City/Parks reserves all rights, immunities, and qualified defenses available to it under the law in connection with the permitted activities. The participant, by registering for any Parks activity or event, further gives full permission to the City/Parks to create and use any photographs, videos or images of themselves for promotional use on the City/Parks website and to use the photographs, video or images in brochures and other materials that the City/Parks may create now or later for no remuneration.

The Columbus Park Foundation

Invest in your community with the Columbus Park Foundation!

The Columbus Park Foundation's goal is to create an active, healthy, and vibrant community by making Columbus Parks and Recreation's programs, parks, playgrounds, facilities and trails available to every member of our community.

The Columbus Park Foundation supports free programs such as Movies in the Park, Santa at The Commons, Power of Produce, and Come Out and Play. The Foundation brings events to our community like the Polar Plunge, Tour de Trails Series, and the Total Eclipse of the Parks 5Ks.

We can't help provide free and low-cost programming, youth scholarships, events, and more without community support. When you donate to the Park Foundation or sponsor a program or event you are helping to create a better community.

If you have questions about how you can support the Columbus Park Foundation, please contact Celeste Reynolds at creynolds@columbus.in.gov or (812) 375-2759.

Tour de Trails: Party in the Park

Saturday, May 18

Donner Park Shelter

cbusinparks.com/cpf-events

We invite you to come and spend a day making memories surrounded by the natural beauty of YOUR Columbus Parks.

Enjoy all the parks have to offer from our native wildlife, trees, flowers & plants to just having a picnic under a shady tree. The choices are yours and the benefits are endless.

Founded in 1947, the City of Columbus Parks and Recreation Department provides the highest quality park and recreation services for the citizens of Columbus. We are responsible for the maintenance and improvement of 23 parks, nearly 1,000 acres of park land and maintain over 23 miles of People Trails.

Blackwell Pollinator Park

The Pollinator Park in Blackwell Park was developed in collaboration with the Indiana Housing and Community Development Authority, Loci Creative, Hoosier Chapter of Sierra Club, (Winding Waters Group), and countless community supporters. This park is 8 acres of pollinator friendly habitat, including egg laying and nesting sites. The park is host to many native plants, birds, bees, and butterflies. There are informational signs throughout the park to tell you some of the species you might encounter while in the park. The parks department also holds educational sessions to teach the importance of pollinators. We also hold “Weed Wrangles” to educate the public on invasive species and help manage the invasive species throughout the park.

Chase Your Curiosities! (and maybe some butterflies)

There are so many opportunities to get outside and explore this place we call home! Whether you are looking to learn, play, or just experience new spaces, being in natural environments offer plenty of mental and physical benefits. Here are some ideas to get you started:

- Count how many different types of plants you can find outside your home
- Take a stroll down the Story Walk in Blackwell Park
- Play a round of Foot Golf at Par 3
- Make an “outside time” goal for your family this summer
- Explore the People Trail on foot or by bike
- Drink your morning coffee outside
- Try out our new disc golf course
- Check out a Nature Kit from the Bartholomew County Public Library’s “Library of Things”, to learn more about the plants and animals you find on your adventures (mybcpl.org/lot)

MAP LEGEND

-  **SHARED USE PATH:** Paths physically separated from the street that provide shared space for both pedestrians and bicyclists; these paths are closed to the use of motor vehicles. Shared use paths typically range from 8'-12' wide. When using shared use paths, please stay to the right in order to allow other users to pass safely. When a shared use path is parallel to a street, be cautious near driveways and intersections.
-  **BICYCLE LANE:** Dedicated lanes for bicycle travel within the road right-of-way. Bicycle lanes are marked by a painted line and bicycle symbol. Typically on higher traffic streets. Not for pedestrian use.
-  **BUFFERED BICYCLE LANE:** Dedicated lanes for bicycle travel within the road right-of-way. Buffered bicycle lanes are separated from motor vehicle traffic by a painted buffer and are marked by a bicycle symbol. Typically on higher traffic streets. Not for pedestrian use.
-  **NEIGHBORHOOD BICYCLE ROUTE / SUGGESTED ROUTE:** Located on lower traffic streets that can be used to make connections between destinations and other bicycle facilities. Some routes are signed as a bike route (Neighborhood Bicycle Routes) while others are unsigned, suggested routes. The mapped route should be used as an alternative to high speed and high traffic streets.
-  **PEOPLE TRAIL:** The People Trail network is a subset of the overall bicycle and pedestrian network, consisting of family-friendly, low-stress recreational routes throughout the city for both bicyclists and pedestrians.
-  **DIFFICULT CONNECTION/DIFFICULT INTERSECTION:** Located in areas with higher speeds and/or volumes, combined with narrow lane widths or other problems for cyclists. Use with caution!
-  **TRAIL PARKING:** Parking is available at many locations along the trail, which allows for convenient access to the People Trail network.
-  **BIKE REPAIR STATION:** The repair stations, located at Donner Center and Ivy Tech (located directly between Ivy Tech and the Columbus Learning Center), make it easy for anyone to complete basic bicycle repairs while out-and-about. The repair stations have basic maintenance tools.

Celebrating 50 Years of CHAOS!

Miller-Tangeman Lobby Featuring *Chaos I*

Chaos I is a 7-ton, kinetic sculpture by Swiss artist Jean Tinguely (1925-1991).

The 30-foot high piece is the largest work by Tinguely in the United States. Columbus, Indiana, a city known for both its great architectural designs and its world-class manufacturing operations, is proud to be home to a sculpture that successfully marries art and engineering.

Chaos I cycles through a series of motions to simulate a day in a life, beginning slowly at first, adding movements and then winding down again. At the peak of its chaotic movements, steel balls roll and crash through a caged track, catching the attention of all ages.

50 Years of Chaos!

May 18 | 12-2pm | Free

Join us as we celebrate *Chaos I*'s 50th birthday with the community. *Chaos* will be turned on in its full glory from 12-2pm with the original motherboard and toolbox on display! Don't forget to check out the historical display by the Columbus Architectural Archives!

Chaotic Tuesdays

12-1pm | Free

On Chaotic Tuesdays we flip the switch and *Chaos I* roars to life. Learn some fun facts about its history and stop by the kids craft table as the sculpture clangs and whirls about.

For more information about this opportunity contact Hamilton Community Center & Ice Arena, (812) 376-2686.

Sled Hockey

Call-In Registration | \$5

Sled hockey is an adaptation of ice hockey which uses an open frame “sled” for players to sit on and move around the ice. Players use two smaller sticks instead of one long stick. One end of the stick is used as a pusher and the other end has a more traditional blade which is used to control, pass, and shoot the puck. Join us for this weekly drop-in, learning the basics of sled hockey. No experience is necessary and all equipment, including helmets and gloves will be provided. Call ahead to set up a session.

Greenbelt Golf Course

(812) 376-2684

1000 N Gladstone Ave., Columbus, IN 47203

Greenbelt golf course, previously Columbus Golf Club was established in the 1930's. In 1974, Columbus Golf Club was turned over to the Parks Department through the encouragement of the City Golf Club Board and the golf community. In 1976, the course was renovated and redesigned by architect Pete Dye, ASGCA, and was renamed Greenbelt.

We would like to ensure that all populations in the community have the opportunity to feel comfortable coming out and experiencing the great game of golf. The Parks Department along with your Golf Pro will be working very hard to create a welcoming environment to anyone who would like the chance to learn how to play.

Clubhouse – We maintain a full-service Pro Shop in the Greenbelt Clubhouse in hopes that it creates easy access for you to purchase items such as golf shirts, hats, gloves, golf balls, tees, clubs, and bags. We also operate concessions during clubhouse hours of operation.

Driving Range – Greenbelt maintains a driving range and will have three sizes of baskets of balls available for purchase. Be sure to check out our range and lunch specials during the week!

Tee Times – During the golf season, we recommend booking a tee time (we make every effort to also accommodate walk-in's). Please contact the Greenbelt Clubhouse to reserve a tee time, (812) 376-2684.

Rocky Ford Par 3 Golf Course

Home of The First Tee program for Columbus Indiana, Rocky Ford Par 3 boasts an emphasis on programming for youth and beginners in the game of golf!

Rocky Ford Par 3 Golf Course is also home to 18 holes of FootGolf! FootGolf is a precision sport, a combination of the popular sports of soccer and golf, being more closely related to golf. The rules largely correspond to the rules of golf and players kick a soccer ball on shortened holes with in as few shots as possible.

Clubhouse – We will be maintaining a Pro Shop in the Par 3 clubhouse in hopes that it creates easy access for you to purchase items such as gloves, golf balls, and tees. We will be operating a small concessions selection during clubhouse hours of operation.

Tee Times – Please contact the Par 3 clubhouse to determine if it is necessary to reserve a tee time at (812) 799-1437.
