

NEW PROCESS FOR GREENBELT EFFECTIVE 3/25/20

It has been approved by the Governor's Office that Golf Courses are encouraged to remain operational during this time with major modifications to play. The following modifications have been implemented 3/25 – 4/7 in order to allow you to continue to use Greenbelt Golf Course.

- The first available tee time for the day is 11am (Mon-Fri) and 10am (Sat-Sun), this will allow for maintenance to be on the course to perform their maintenance and will allow for no contact between staff and the public. The last available tee time of the day will be 6pm (weather dependent).
- Walking only. NO CARTS will be used. Pull carts are not available for rent.
- Pro shop/clubhouse closed. If you need to ask the clubhouse a question, you must call (812) 376-2684. Staff will NOT open the doors or windows to speak with customers during this time, please be respectful of their safety.
- Players must call (812) 376-2684 in advance of teeing off to pay by credit card over the phone. Acceptable forms of payment are Visa, MasterCard and American Express (no cash).
- The driving range is closed.
- No flags, bunker rakes, ball washers, water or restrooms available to public on the course.
- Maintenance has inverted the cups to alleviate people from reaching down inside.

It is important to respect the ZERO contact rule which has been implemented. It has allowed us to continue to provide a modified service and to continue to promote being outdoors and being physically active during this time. These modifications are for the protection of our staff and you, the customer. We appreciate your understanding as we venture through this unprecedented time.

(812) 376-2684
