To All Patrons of HCCIA:

Due to the inconsistency of small ice scheduling, we are going to publish our small ice policy to all staff and patrons of Hamilton Community Center & Ice Arena. The following rules are effective immediately.

- Small ice usage can only be booked one week in advance unless you are doing a private rental at the cost of \$91 per hour.
- If the person wishing to rent the small ice is not using it as a team rental (CYH organized with more than 5 people) other participants may join if they are of similar skill level and the same sport. (Figure skaters cannot be on the small ice with hockey players and vice versa.)
- The \$6 rental is NOT considered a private rental. If you wish to drop in you are agreeing to skate with others of similar skill level and sport. This also applies to those coaching private lessons. If you are only paying the \$6 rate during a private lesson you may have someone out there with you of similar skill level and sport.
- Private rental users may call and reserve ice time in advance for a series of dates with the approval of the Hamilton Community Center & Ice Arena manager.
- All coaches (figure skating, speed skating, and hockey) must pay the same hourly rate as the person whom they are coaching. Rates are \$6 per hour, \$3 per half hour, per person.
- Patrons wishing to use the ice during any HCCIA programming (classes, goalie training, speed skating, etc.) will be asked to drop in at a different time as this is for Parks and Rec programs.
- Staff of Hamilton Community Center & Ice Arena are not to feel obligated to give information of who is renting the ice on certain dates or times. If a person wishes to know if it is hockey, figure skating, or speed skating, staff may give that information.
- Helmets are to be worn during any rental involving hockey or broomball, no matter your age or skill level.
