People Trail Sections Prone to Flooding

Please use caution on the People Trail System due to high water across many areas of the trail. Areas prone to flooding may be inaccessible beginning today and through the next several days. These sections will reopen after the floodwater has receded and Park & Recreation crews have cleaned the mud and debris left behind.

High Water May Close Mill Race & Noblitt Parks

Due to heavy rains forecasted for our area over the next few days Mill Race and Noblitt Parks may be closed at any time due to high water. Please use caution around flood prone areas.
