- Those coaches who have coached with us before are then free to leave the call

PLAYER RULES

- Must not be negative toward coaches, referees, or other players.
- Must not use foul language at any time.
- Must not climb on soccer goals or nets.

PLAYER EQUIPMENT

- Shin guards are mandatory for each player (games and practices)
- Must not wear any sharp objects or jewelry (including ear rings and wristwatches) during games or practices. Taping ear rings is generally not sufficient protection and therefore generally not allowed. (Note: The referee's decision is final regarding player equipment and is typically made to ensure safe playing conditions for all players.)
- Mouth guards are recommended.
- Soccer cleats (plastic not metal) are recommended.
- Shorts and long socks are appropriate for each player. If extremely cold, jackets or sweatshirts should be worn under team jersey so colors and numbers are visible.

COACH RULES

- Must be positive with all players, other teams/coaches, and the referees. Keep in mind that first and foremost, **you are a role model for the kids.**
- Must ensure that all players play at least two quarters of each game, and that all players get equal playing time over the course of the season.
- Play the same number of players as your opponent in the event they are unable to field a “full” squad.
- Give players an opportunity to play a variety of (offensive and defensive) positions over the course of the season.
- Must ensure that the Goalkeeper wears a shirt of a contrasting color from his team’s and the opposing team’s shirt colors (white is recommended).

COACH RULES

- Must coach only from the sideline between midfield line and goal line (**not** from the goal line or behind the goal).
 - For U4, U5 and U6 coaches – you will coach from the playing field (pitch) as you referee and instruct the players.
- Must avoid running up the score against a weaker team.
- Must remain off the playing field during the game, unless a player is injured.
- Must not leave the field until all your players have been picked up for both practices and games.
- Must not trade players or tell a player he/she can be on your team without prior permission from the Division Manager.
- Must not have a game or practice without an adult present if you are unable to be there.
- Must not cancel a game without prior permission from the Division Manager/League Administrators.

COACH RULES

 - Referees may stop clock for injuries/delays
 - Referees may eject players or coaches for foul language or repeated unsportsmanlike conduct. An ejected player is not allowed to play in next regularly scheduled game
